Application No. 09/659,924
Filed: September 12, 2000
For: Gaming machine with hopper and printer

DECISION
ON PETITION

This is a decision on the renewed petition under 37 CFR 1.137(b), filed August 6, 2001, to revive the above-identified application.

The petition is **GRANTED**.

This application became abandoned for failure to properly reply to the Notice to File Missing Parts of Application, mailed November 13, 2000, which set a two (2) month regulatory period to reply. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the above-identified application became abandoned on January 14, 2001.

The petitioner has met the requirements to revive the above-identified application, pursuant to 37 CFR 1.137(b). Petitioner submitted the required reply in the form of the submission of a substitute oath or declaration, has paid the petition fee and the surcharge associated with the late filing of a oath or declaration, and made the proper statement of unintentional delay

As to the instant application, the changes in Power of Attorney and Correspondence Address have been entered and made of record.

The application file is being returned to OIPE for completion of pre-examination processing, including review of the response to the Notice to File Missing Parts of Application.

Telephone inquiries specific to this decision should be directed towards Petitions Attorney Paul Shanoski at (703) 305-0011.
